

Transport Box TB150 1.5m Wide

Reference: TB150

£695.00

Transport Box TB150 1.5m Wide Our Tipping Transport Box 1.5m wide is perfect for everyday jobs around estates and smallholding. The box benefits from removable sides and rear scoop for reversing into mounds of compost or muck. Our tipping transport boxes are ideal for use around smallholdings moving a range of items. The attachment is simple to use and the sides can be removed easily for flexible use. Our box has a front scoop for backing into materials when the rear is removed. The implement can be attached to the 3 point linkage of a range of small or compact tractors. Perfect for moving logs in the autumn/winter or hay in the summer months. Recommended for tractors up to 60hp Uses Perfect when collecting firewood and clearing rubbish; Ideal for moving tools, fuel tanks, sprayers, generators and dirt around even the roughest terrain; With the tail gate removed can also be backed into soil, sand or grain, turning the transport box into a mini loader as well. Features: High walls for transporting trailer items Re-enforced rear base for reversing into loose materials for easy loading Quick release tipping lever Swinging&removable tail gate Easy to store Heavy duty design High strength rear base for reversing into loose soil mounds Specification Dimensions (L x W x H): 1500 x 810 x 740mm Weight: 105kg Capacity: 0.9m³ Body Material: 3mm Hitch Cat1 Video demonstration
