

FS 270TP Trailed Spreader with Ball Hitch

Reference: BPT110

£1,622.88

FS 270TP Trailed Spreader with Ball Hitch This popular spreader will spread granular or powdered fertilisers or grass seed in a turf care application, game feed on estate or even dry granular salt for winter maintenance. Paddocks, lawns and driveways are all taken care of with the 270 litre Trailed Spreader range. With a choice of two sizes of hopper capacity, these spreaders are perfect for use behind ATV's and road vehicles. An agitator in the hopper improves material flow while the optional winter kit is invaluable for accurate spreading of free-flowing granular salt. Key features Spinning disc spreader mechanically driven, via pneumatic-tyred wheels Spread width up to 14m Stainless steel spinning disc for durability Optional winter kit for spreading of dry free flowing salt, Ideal for winter maintenance applications. This includes a Spread Limiter, Extended Agitator plate and filtering Guard. Phone for this option. SPREAD LIMITER - Typically used in winter maintenance applications for spreading salt on pathways, the spread limiter restricts the application width to approximately 1.5m. EXTENDED AGITATOR- Keeps material moving within the hopper. FILTERING GRID- Breaks up lumps of salt before entering the hopper. Specification Hopper capacity 270 litres Hopper capacity 347kg Height 1.43m Weight 84kg Spread width Up to 14m
